

City of Frankston
Water Department
Bank Draft Form

I authorize The City of Frankston to initiate a bank draft for my water bill from my checking/savings account at the financial institution listed below and, if necessary, initiate adjustments for any transactions debited or credited in error. This authority will remain in effect until The City of Frankston is notified by me in writing to cancel it in such time as to afford The City of Frankston and the financial institute a reasonable opportunity to act upon it. I understand it may take 30 to 45 days for the draft to become effective. I understand my bank draft will start once I receive a bill marked "BANK DRAFT – DO NOT PAY" and that I am responsible for payment until that time. I also understand that The City of Frankston will charge a NSF fee for insufficient funds of \$35.00 and it may result in disconnection of services and an additional \$25.00 service fee. All payments will be drafted around the 1st of each month. * Fees are subject to change.
